East Fort Worth Montessori Academy proudly presents Rev. Dr. Lauren Artress who will share with you the “Gifts of the Labyrinth”. Our workshops goal is to provide you with an in-depth introduction to the labyrinth. We will be inspired and explore the history and impact of labyrinths in our society today. You will have the opportunity to listen, ask questions, walk the labyrinth, and reflect with others. The daylong workshop will create experiences and share resources. It also will qualify those interested in attending the Veriditas Facilitator Training — a two-day comprehensive training that prepares you to teach others, taught by Rev. Dr. Artress.

We invite you to discover how the labyrinth can experientially transform lives. Anyone can use the labyrinth as a tool for self discovery, healing and as metaphor for life’s journey, the parallels are many. We welcome the opportunity and open our campus to provide you the space to learn all you can as you join us for this week-end workshop.

Our Labyrinth journey begins Friday night, October 23rd from 7-9pm. Dr. Artress will present a public lecture, “Gifts of the Labyrinth”. There is a \$10 fee and the doors at EFWMA will open at 6:30pm for general seating. Please note: The \$10 fee will not be charged to those registered and attending the Weekend Labyrinth Workshop. Light refreshments will be served.

The Saturday October 24th Labyrinth Workshop, presented by Dr. Artress, will begin at 9:00AM - 5:00PM. (Sign in and gathering begins at 8am) Lunch will be provided. This workshop will also qualify participants for Facilitator Training on 10/26 & 10/27/2009.

Sunday, October 25 will be a day of Labyrinth Activities. Walk the labyrinth with us at Sunrise and Sunset, create art, bring your journal, musical instrument/s, and anything else you’d like to share as we journey together on and around the labyrinth. Weather permitting, we will spend our time outdoors, dress comfortably.

The Workshop fee of \$175 includes the public lecture on Friday night, the Saturday Workshop with lunch, and Sunday afternoon Labyrinth Activities. Proceeds from this workshop will directly benefit the students of East Fort Worth Montessori Academy.
