

A gathering of ecumenically minded Christian peacemakers.

Peace Among the Peoples will be an opportunity to reflect on the future of the ecumenical peace movement in North America, and beyond.

In May 2011, the World Council of Churches will hold the International Ecumenical Peace Convocation in Kingston, Jamaica, culminating the 2001-2010 Decade to Overcome Violence (DOV) program. The objective of Peace Among the Peoples is to critically appropriate the agenda of the 2011 Convocation.

Today in North America we see a broad spectrum of Christian peacemaking activities, along with diverse responses by Christians to war. A major task before us at the end of the Decade is to create a movement that will commit Christian peacemakers, and our churches, to future dialogue and common witness for peace. Please join us for this exciting event!
