Founded in solidarity with the World Student Christian Federation (WSCF), SCM-USA is a student-led, grassroots organization, rooted in Christ, that actively seeks justice and peace, speaks truth to power, and works to overcome oppression in communities on local, national, and global levels by empowering students and young people to claim their voice, exercise leadership skills, engage in innovative theological reflection, and build transformational networks of relationship in the Church and the wider world.

This event will include:

- Inspiring speakers and panels discussing social justice, peacework, and ecumenism

- The official re-birth of the Student Christian Movement - USA
- Training and workshops on leadership, social change, and community organizing students from a basis of Christian faith, theology, and practice
